

NORWOOD PRIMARY SCHOOL - GYM FLOOR REPLACEMENT

Project Scope: Norwood Primary School Gym Floor Replacement

This project involved the demolition of an existing parquetry floor in the school's gym, then supply and installation of timber flooring to provide the gym with a fresh and modern look. During the course of the project, completed over the Christmas holiday period, latent conditions presented which required some additional problem-solving. The existing stormwater needed repairing which required consultation with the project engineer to ensure a suitable waterproofing solution was implemented in a timely fashion to suit the tight programme of the project.
