

PARKSIDE PRIMARY SCHOOL ART ROOM AND TOILET BLOCK REFURBISHMENT

Project Scope: Parkside Primary School Art Room and Toilet Block Refurbishment

This project consisted of the demolition of an existing brick-constructed art room and toilet block in readiness for a new transportable facility. A new veranda was installed to cover the raised deck finished with composite decking and low-level fencing acting as a balustrade. New infrastructure for underground services was installed comprising sewer drainage, water reticulation, power, and security. A new transportable art room was also installed complete with concrete access ramps and steps with hot dipped galvanised handrails. New landscaping was also completed to the northern and western sides.
