

SIR THOMAS PLAYFORD KINDERGARTEN LANDSCAPING REDEVELOPMENT**Project Scope: Sir Thomas Playford Kindergarten Landscaping Redevelopment**

This project involved upgrading an existing playground facility for Spotless, and subsequent additional landscape redevelopment. Mykra was engaged by the client to remove the existing equipment, expand the footprint of the playground to provide a larger play space with new profile and contours, upgrade landscaping to include new pathways, garden beds, water reticulation and play equipment including the supply and installation of soft fall material installed under the new playground. This project was challenged with weather elements as the project was started in the middle of winter and was completed in the middle of summer.
