

CIVIC CENTRE LIBRARY - REFURBISHMENT

Project Scope: Tea Tree Gully Civic Centre Library Refurbishment

Mykra completed a full refurbishment of the Civic Centre Library. Mykra had to coordinate all trades and external subcontractors that were installing RFI Gates and conveyors for book returns. The program of works was done in three stages with the challenge of having to complete most works during 'outside hours' as the library remained open during works.

ADDITIONAL INFORMATION

Client	Tea Tree Gully Council
