

**TRANSFORM ORTHODONTIC CARE - WEST LAKES REFURBISHMENT****Project Scope: Transform Orthodontic Care - West Lakes Refurbishment**

The Transform Orthodontic Care at West Lakes Refurbishment works included the upgrade of existing consultation rooms, treatment rooms, sterilisation rooms and laboratory. New underground services were required for the installation of new medical equipment and to accommodate the new dental chairs. Mykra worked closely with the client and design consultants to ensure all specialist equipment was installed and functioned correctly.
