

WOODVILLE HOCKEY CLUB

Project Scope: Woodville Hockey Club

The Woodville Hockey Club was a Design and Construct project that involved the demolition of an existing structure and the construction of new facilities. The new build is to provide a larger modern facility which serves the needs of the Hockey Club, Soccer Club and the wider community.

The design included 4 x new changerooms, umpires room, multipurpose area, kitchen/kiosk, bar, storage areas, male, female and accessible WC amenities and office space.
